

Our family

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards.

Our family is currently made up of 15 academies (five primaries, nine secondaries and one sixth form college). In 2019, we entered into a long-term support partnership with Madani Schools Federation in Leicester to work with their two schools.

We also run a successful School Centred Initial Teacher Training (SCITT) programme making us a key player in the region by developing new teachers and providing training and development programmes for existing teachers and support/operational staff throughout their careers.

Central to our family mission is addressing equality, diversity and inclusion as we resolutely promote a diverse and inclusive community – a place where we can all be ourselves and succeed on merit.
