

ABOUT US

WHAT WE DO

We help facilitate Sheffield Children's to be innovative, dynamic and achieves its ambitions.

MISSION

Our mission is to enhance Sheffield Children's, giving children and young people the best chance of a healthier future. We connect supporters to Sheffield Children's, funding enhancements above the NHS provision and help to make Sheffield Children's a brilliant place to work and visit.

The money we raise funds innovative projects, ground-breaking research which shapes future paediatric care, specialist medical equipment, new facilities and create an engaging environment built with children in mind.

STRATEGIC AIMS

We aim to be a values-led Charity supporting Sheffield Children's in paediatric care.

Our aims are:

- **Work together as one team**
- **Build our profile**
- **Increase recurrent unrestricted income**
- **Raise the funds**
- **Nurture long term partnerships**

VALUES

COMPASSION

We are led by kindness, empathy, and understanding. We support and go above and beyond for our donors, caring and listening to their needs.

ACCOUNTABILITY

We are transparent with the money raised and the projects we fund going above and beyond to help create a healthier future for children and young people. We are accountable to our environment aiming to achieve sustainability together.

INCLUSIVITY

We promote diversity and are committed to inclusivity with all colleagues, supporters and individuals, so all feel valued, respected and appreciated.

TOGETHER

We come together as one team with colleagues, patients, families and donors. The children we help are at the heart of everything we do. We are passionate about the families we serve, the supporters we look after and the difference we make to future pediatric care.

EXCELLENCE

We strive to be dynamic and creative in our work, winning awards for our innovation, enhancing the patience and family experience. With excellence we can have an impact on those we support.
