Florence Nightingale
HOSPICE CHARITY

OUR VISION

The best hospice care for everyone who needs it in Buckinghamshire and borders

OUR VALUES

We are PROFESSIONAL

- We behave with professionalism and integrity
- We are accountable for our actions, and transparent in all our dealings
- We build trust by doing what we say we will
- We are constructive in our feedback
- We are positive in our approach to learning and improvement
- We work with pace and purpose

We are AMBITIOUS

- We strive for excellence in all we do
- We will work to boost the profile of hospice care through positive publicity
- We focus on actions that bring results
- We work hard to be an employer of choice
- We will always do our best
- We are focused on our goal to raise as much money as possible

We are our COMMUNITY

- We build a sense of community ownership in the work that we do
- We enhance the enduring connections families' have with their loved ones
- We value our supporters and their gifts
- We invest in our community by choosing local where we can
- We are proud of the community effort that helps to provide hospice care
- We create engaging and accessible ways for people to get involved

We are a TEAM

- We work collaboratively to achieve more
- We work in partnership with those providing hospice care
- We champion and support each other
- We are kind and respectful to others and each other
- We will build a safe and inclusive workplace
- We appreciate the contribution that every individual brings to the team and celebrate their diversity

Together we are Florence Nightingale Hospice Charity
